mentiary law for a party claiming best men win, is the wish of the liberative lody to vote upon that county. question when his right is contested? We do not claim to be infallible authority on the question, but we venture the assertion that it was in violation of all rules governing deliberative bodies. The Reeves chairman permitted the Reeves delegation Leitchfield Sunham had an interview in, and they did it.

The friends of Rodes made, as we conceive, a fair proposition to peler the uniter to a primary election in Butler county, which was rejected. It was openly charged in the convention that unfair practices had been resorted to by the chairman of the Butler county committee, a Reeves man, that the convention was called for I o'clock v. M., and the Reeves men secretly notified to be on hand at 12, toon, when the convention was valled to order and a Reeves delegation appointed when the sentiment of the county and Democrats in Morgantown on that day was largely for Roles. Whether this was true or not we don't know, but in the account we read of the convention we failed to see that he denied it

We have no interest in this matter other than to see justice done. We are "Old Fogy" enough to want the will of the people fairly expressed to he earried out. From all we can learn, we do not believe it has been done in this case. If there is no authority to govern in eases of this kind, the State committee ought to such wrangles should be avoided.

We do not know what Mr. Rodes Sing Sing for ten years. will do, we have no advice to give hira; he and his friends must settle this matter. We would rather be defeated than to be victorious, when that victory was obtained by trickery.

PREMATURE CONVENTIONS We see they have had a convention in the Bowling Green Judicial His excuse was that he is a prospective
